

# About AAMC

**Our Vision:** Living Healthier Together

**Our Mission:** To enhance the health of the people we serve.

**Our Values:** Compassion, Trust, Dedication, Innovation, Quality, Diversity, Collaboration

*Established in 1902, AAMC has an impressive history of caring for patients and families. We serve more than one million people in the region, including residents of counties in the Eastern Shore and Southern Maryland.*

## Our accomplishments are many and honors have included:

- › Maryland Trailblazer Award for environmental excellence in health care (on track to be first hospital in state to earn LEED status)
- › HealthGrades outstanding patient experience award
- › Most Wired Hospitals award from American Hospital Association's journal
- › Breast Center national accreditation by American College of Surgeons
- › Outstanding Achievement Award by the Commission on Cancer

## AAMC is one of many entities within the Anne Arundel Health System. Others include:

- › AAMC Foundation
- › Anne Arundel Diagnostic Imaging
- › Health Care Enterprises
- › Pathways Alcohol & Drug Treatment Center
- › Physician Enterprise
- › Research Institute

## Facts & Figures (July 1, 2011):

- › Total licensed beds .....336
- › Inpatient admissions .....25,289
- › Births ..... 5,112
- › Emergency visits ..... 76,288
- › Oncology treatments .....25,698
- › Outpatient visits .....86,166
- › Medical Staff ..... 880+
- › Employees ..... 3,000+
- › Operating revenue ..... \$520 million

## Giving back to the community:

AAMC contributed more than \$14 million in community benefits, including subsidized programs and charity care, community outreach, health education, and research activities. In addition, our 700 Auxiliary/Volunteers donated in excess of 120,000 hours of time to help patients, raise funds for the institution and serve as program ambassadors.
