Energize Fitness Classes

▶ Weekly classes

Body Strength and Core

Strengthen and tone your body from head to toe. This class includes a special focus on abs and core.

Cardio Strength Fitness

This class is a perfect blend of heart-pounding drills to increase energy. There is also strength training to improve posture. Anyone at any fitness level can join.

Pilates for a Healthy Spine

Pilates is all about efficient movement. You will use your abs, back and pelvic floor to improve your posture.

Total Body Fitness

This full-body workout combines strength training and cardiovascular work. It builds head-to-toe lean body mass, endurance and a healthy heart.

Yoga & Meditation

Yoga can help you reduce stress and relax. Improve your flexibility, strength, coordination and concentration. All levels are welcome.

Yoga for Boomers

This class provides a foundation of physical postures and breath work for yoga beginners.

Yoga Flow

Learn intermediate and advanced postures. You'll learn how to link different postures and breathing.

Yoga Gentle Chair

This is for people with physical limitations or beginners. Learn creative ways to practice yoga with a chair. We recommend getting physician consent before you join the class.

ZUMBA®

Have fun and lose weight! This class fuses Latin rhythms with easy-to-follow moves.

▶ Workshops

Body Back®

This all-inclusive program helps new moms lose weight and get back their pre-baby body. It combines high-intensity exercise classes, meal planning and coaching.

Fit4Baby

A prenatal fitness program that teaches women how to exercise safely and effectively throughout their pregnancy. The interval-based classes combine elements of strength training, cardiovascular exercises and stretching and balancing exercises.

Prenatal Yoga

Practice yoga postures and breathing exercises to improve your comfort during pregnancy and birth.

Senior Strong

Use a chair to learn seated aerobics, strength training and flexibility exercises. You'll also improve balance in a safe and supportive environment.

Strong Women

Strength training geared toward mid-life and beyond.
