

Anne Arundel Medical Center Ranked among Region's Top Hospitals

ANNAPOLIS, Md. (August 2, 2019) – U.S. News and World Report has again ranked Anne Arundel Medical Center among the top hospitals in the region. AAMC ranked fourth on the list of Best Hospitals in Maryland.

U.S. News and World Report recognized 569 U.S. hospitals – about one medical center in 10 – as Best Regional Hospitals. Regional rankings identify hospitals that perform well across a range of specialties, conditions and procedures.

AAMC also ranked as high performing in abdominal aortic aneurysm repair, chronic obstructive pulmonary disease, colon cancer surgery, heart failure, hip and knee replacement, and lung cancer surgery.

AAMC is consistently recognized for providing high-quality health care to the community in a variety of services. Learn more at AskAAMC.org.

About Anne Arundel Medical Center:

Anne Arundel Medical Center (AAMC), a regional health system headquartered in Annapolis, Md., serves an area of more than one million people. Founded in 1902, AAMC includes a 349- bed not-for-profit hospital, a multi-specialty medical group, imaging and lab services, convenience care clinics, a research institute, a substance use treatment center and health enterprises. In addition to an Annapolis campus, AAMC has outpatient pavilions in Bowie, Kent Island, Odenton, Pasadena and Waugh Chapel. AAMC is nationally recognized for its joint replacement center, emergency heart attack response and cancer care. A leader in women's services, AAMC delivers the state's second highest number of babies annually and has a Level 3 NICU. AAMC is among just 6 percent of U.S. hospitals to be designated a Magnet® hospital, the highest-level credential for quality patient care and nursing excellence. As a Most Wired® healthcare organization, AAMC is nationally recognized for using technology to enhance the patient experience. With more than 1,200 medical staff members, 4,700 employees and 1,000 volunteers, AAMC consistently receives awards for quality, patient satisfaction and innovation.
